Dear your Honor,

BY MAIL

My name is Terrance Wilson I appeared in your court room on 4-24-2018 case # 51-4:15C R441. Your Honor I have issues pertaining to this whole procedure not to mention the problems I've had with my lawyer from day one. On the above date I entered a plea of guilty under the said case # 51-4:15C R441. I did so because my lawyer told me because "he left" he said so. He told me to say yes to all questions asked by you rather they're true or false because that was apart of the plea agreement. Your honor, alot of those questions I answered untruthfully. In fact most of them. Everything was moving fast. As court was proceeding my mind was not processing at the same speed. I was nervous, scared, unsure alone with alot of other mix emotions I was dealing with at the time. Your Honor I would like to change my ~~plea~~ guilty plea from guilty to not guilty I would like to stand trial against these charges and said accusers. Thank you
My lawyer Preston Humphrey & David Burns

To withdraw a guilty plea

If a motion to withdraw a plea of guilty is made before the sentence is imposed, the court may permit the plea to be withdrawn if the ~~plea~~ defendant shows any fair and just reason.
